IRON WILL

WINERY

IRON WILL SPARKLING VIOGNIER 2024

Iron Will Winery is a family-owned vineyard in Waterford, Virginia, producing small-lot wines from four acres of estate fruit. This is the second generation of our Sparkling Viognier, picking up where the 2023 left off. The fruit is drawn entirely from the estate block and the wine is bottled under the Middleburg AVA.

VINTAGE NOTES

2024 was a good growing season for this style of wine. The brix to acidity ratio was very good, giving fruit with ripe aromatics and the natural acidity a sparkling wine depends on.

WINEMAKING NOTES

Whole fruit was pressed directly to stainless steel with no skin maceration, preserving the varietal's floral lift and pale color. Primary fermentation was carried out in stainless steel with a commercial yeast strain, and malolactic fermentation was blocked in full to retain the wine's natural acidity. The wine saw no oak at any stage, resting in stainless steel before being sterile filtered - with no fining - and bottled.

TASTING NOTES

Floral notes and melon lead into a dry, crisp finish. Awarded Best in Class and a Gold Medal at the 2025 Loudoun Wine Awards.
