FABBIOLI CELLARS BICOASTAL 2019

Fabbioli Cellars is a family-owned winery on Limestone School Road, just north of Leesburg in Loudoun County, Virginia. Doug Fabbioli and Colleen Berg planted their first vines in 2001 - Merlot with a little Petit Verdot for blending - and the winery has grown around that fruit ever since. The inspiration for all of the wines we make has always been the fruit itself.

WINEMAKING NOTES

Bicoastal is a six-variety red blend built in near-equal parts: 18% Zinfandel, 17% Merlot, 17% Petite Sirah, 16% Petit Verdot, 16% Cabernet Sauvignon, and 16% Cabernet Franc. The wine spent 20 months in French oak and was bottled unfiltered, keeping its texture and depth of color intact.

TASTING NOTES

Aromas of plum, currant, fig, and baking spice define the nose of our Bicoastal. Flavors of blackberry jam and dark fruit are complimented by "old fashioned" citrus notes, with just a touch of orange zest, leading into a lingering finish with hints of white pepper and a plush texture.
