FABBIOLI CELLARS SPARKLING PETIT MANSENG NV

Fabbioli Cellars is a family-owned winery on Limestone School Road, just north of Leesburg in Loudoun County, Virginia. Doug Fabbioli and Colleen Berg planted their first vines in 2001 - Merlot with a little Petit Verdot for blending - and the winery has grown around that fruit ever since. The inspiration for all of the wines we make has always been the fruit itself.

VINTAGE NOTES

[TBD]

WINEMAKING NOTES

100% Petit Manseng drawn from three Loudoun County vineyards: 40% 12 Sycamores in Leesburg, 35% Bella Luna in Leesburg, and 25% Catamaran in Lovettsville. Fermented in stainless steel and finished by forced carbonation, a method that preserves the variety's naturally high acidity and tropical aromatics.

TASTING NOTES

Aromas of kiwi, mango, and honeysuckle fill the nose of our Sparkling Petit Manseng. The palate opens with lemon meringue, white peach, and a hint of honey, with firm acid and lingering notes of tropical fruit on the finish. Awards: Bronze, 2025 Virginia Governor's Cup; Gold, 2025 Loudoun Wine Awards.
