VINTAGE NOTES

The 2022 growing season featured a balanced spring and dry, warm late summer, ideal for Sauvignon Blanc, Viognier, and Petit Manseng. The estate's varied microclimates supported vibrant acidity and clean aromatics, producing fruit with excellent freshness and ripeness for this bright, expressive Loudoun County white blend.

WINEMAKING NOTES

Each varietal fermented separately for two weeks in temperature-controlled stainless steel tanks with commercial yeast, the wine was blended and aged in tank for six months before bottling.
