

FABBIOLI ‘SOMETHING WHITE’ 2024

Fabboli Cellars is a Loudoun County pioneer known for expressive, food-friendly wines crafted from top regional vineyards. Founded by Doug Fabboli, the winery blends Old World sensibility with Virginia terroir, producing classic varietal wines that are balanced, structured, and deliver consistent quality across vintages.

VINTAGE NOTES

The 2023 vintage delivered vibrant white fruit with naturally bright acidity, ideal for crafting a refreshing yet expressive white blend. Careful fruit selection allowed each component to contribute freshness, aromatics, and balance, continuing the style that has made Something White a year-round favorite.

WINEMAKING NOTES

This signature blend of Vidal Blanc, Petit Manseng, and Vermentino was fermented and aged entirely in stainless steel for eight months. The varietal composition shifts slightly each year, selected to highlight freshness and balance while preserving the wine’s hallmark aromatic lift and soft texture.

TASTING NOTES

Aromas of honeysuckle, sweet apple, and vanilla open the wine. The palate offers honeycomb and crisp apple with a gentle touch of spice. Slightly off-dry and well balanced, the acidity carries through to a smooth, clean finish that makes this an exceptionally versatile white wine.
