

GOOD SPIRIT FARM PETIT MANSENG 2023

Good Spirit Farm is a family-owned estate in Round Hill, Virginia, producing small-lot wines from eight acres of prime vineyard land. Guided by winemaker Nate Walsh, the winery focuses on high-quality European varietals and has earned multiple medals at the Virginia Governor's Cup and Loudoun Wine Awards.

VINTAGE NOTES

Moderate spring and early-summer rainfall supported canopy development before a hot, dry period carried through harvest. These conditions concentrated Petit Manseng's natural intensity, producing fruit with vibrant acidity, tropical aromatics, and balanced ripeness.

WINEMAKING NOTES

Fermented and aged sur lie for six months in stainless steel, the wine retains freshness and purity while gaining subtle texture from lees contact. Fermented dry to showcase the varietals signature acidity, tropical fruit character, and clean, refreshing finish.

TASTING NOTES

Peach and melon aromatics lead into a palate of pineapple, apricot, and vibrant citrus. Bright acidity balances richness, creating a clean, refreshing finish. Awarded a **Silver Medal** at the **2025 Loudoun Wine Awards**, this dry Petit Manseng showcases both concentration and finesse from the 2023 vintage.
