

LOST CREEK PETIT VERDOT 2021

Lost Creek Winery crafts elegant, estate-grown wines that reflect the distinctive mountain terroir of the Blue Ridge Foothills of Loudoun County. With small lot production and minimalist cellar practices, Lost Creek emphasizes vineyard expression, native fermentations, and restrained oak to produce structured, age-worthy wines of utmost quality.

VINTAGE NOTES

Harvested on October 1, 2021, Petit Verdot benefited from the extended growing season typical of western Loudoun's higher elevations. The vintage delivered ripe phenolics, firm structure, and concentrated fruit while maintaining balance, ideal for a varietal known for depth and longevity.

WINEMAKING NOTES

Fruit from Meridian Ridge Vineyard and Round Hill was fermented in small one-ton batches, allowing precise lot management and yeast selection. Native malolactic fermentation followed, with minimal cellar intervention. The wine was aged for 20 months in 100% French oak, 25% of which was new.

TASTING NOTES

Deep and expressive, opening with blackberry, plum, and dark cocoa layered with floral and savory spice notes. The palate is structured and powerful, with polished tannins and a persistent, savory finish. **93 points, James Suckling, and Best in Class Petit Verdot, Loudoun Wine Awards**, underscoring its depth and age-worthy intensity.
